# HTML In Class Assignment : “My Awesome Profile & Quiz”

## Objective :

In this assignment, you will create a simple web page that explores the My Awesome Profile & Quiz.

This task will teach you how to organize HTML files to better present your information.

## Instructions :

Reference Web Page: Below are screenshots of an example web page. Use these as a reference for your layout, design, and content.

### Welcome to My Personal Space! 🧐

This page is all about me, my favorite media, and a small challenge for you.

#### About Me

My name is **Nisila Perera** and I am learning HTML web development. I love creating interactive things on the internet.

#### My Favorite Media

**Submission :**

You have to upload :

- The zip file containing all the HTML files
- Your deployment link .

Note:

- This is a static page.
- Ensure that your webpage is still accessible and follows good design principles.
- Don't use AI code generators, we can detect your code.
- You can search Google for all your problems.
